

ADMISSION PROCESS

STEP 1

Send scanned copy of class 10, 12 mark-sheet, NEET qualified result & Passport / Aadhar card.

Deposit Application money to Global Medical Foundation for Admission Letter.

STEP 2

The student will get the University issued admission letter from us via e-mail. We will provide students with a list of documents.

Deposit Visa Processing Charges with GMF and send the required original documents to us. We will also get your Invitation Letter issued.

STEP 3

Global Medical Foundation will complete your Visa process.

We will help you with Pre-departure counselling, Currency Exchange, Flight-tickets along with many other value added services.

STEP 4

Pay the remaining service charges of Global Medical Foundation.

The student will fly with a group of Indian students to Ukraine. The students will get back their original documents from Global Medical Foundation before leaving.

DEPARTURE

Students will be provided with pick-up and transport facility from the airport in Ukraine to the University hostel and will get assistance in completing the admission process.

Students can contact Global Medical Foundation for the 6-years for any assistance within our scope without any extra charges.

ASSISTANCE

Best wishes for your studies!
