TO WHOMSOEVER IT MAY CONCERN

This is for information of all concerned that the Indian students taking admission in Samarkand State Medical Institute will follow a study duration of 5 years followed by 12 months of internship in hospitals of Samarkand State Medical Institute as well as other hospitals of the Samarkand region.

This is further informed that as per laws of the Republic of Uzbekistan the degree awarded after completion of the course will make the students eligible to practice medicine in Uzbekistan and the medical degree is at par with the license to practice medicine given to citizens of that country.

The above curriculum and course pattern are in compliance with National Medical Commission Notification No. UGMEB/NMC/Rules & Regulations/2021 dated 18-11-2021.
